Data Protection Is Important to Us

Dear Subscriber,

Some time ago you registered to receive the monthly MEN newsletter in order to stay informed about the latest products and company news.

From May 25, the General Data Protection Regulation (GDPR) of the European Union will apply. It regulates and improves the protection of personal data.

Data protection is very important for MEN, and is treated with high priority. With this e-mail we would like to inform you that we have entered your company, first and last name, email address in our database (including the information you provided during your registration, e.g. telephone number).

We would be pleased to send you information about new products and our company in the future as well.

Of course, you can revoke your consent to contact us at any time. For this please use the unsubscribe link in our e-mails.

We would also like to thank you for your interest and continued support. If you have any questions, or require any additional assistance or information, please do not hesitate to contact us at any time.

Kind regards,
Your MEN Marketing Team
